### Center School and OHS Transportation Information

#### Bus Transportation

Bus routes for the Old Rochester Regional School District and Massachusetts School Superintendency Union #55 for the Towns of Marion, Mattapoisett, and Rochester are established yearly. Seven buses transport our students. Routes are modified slightly each fall to accommodate new membership. Any questions regarding bus routes and/or stops that affect your child should be addressed to the District's transportation provider, **Amaral Bus Company Inc.** Ms. Cheryl Sweeney, Dispatch Manager at [amaralbustritown@gmail.com](mailto:amaralbustritown@gmail.com) or (774) 507-6082.

*Changes in student transportation plans are strongly discouraged.* Please Contact the main office with any questions or requests.

There will be 7 Mattapoisett Routes this year and buses will continue to use the front loop of each building.

For Center/OHS Routes, please use this link.

## Calendar and Hours of Operation:

### In-Person ARRIVAL TIME/TARDINESS

Students may be dropped off at the designated door at each school starting at 8:15 a.m.

Buses arrive between 8:15 – 8:30 am.

Students who arrive after 8:30 must report to the office and will be marked tardy.

Students arriving after 11:30 will be marked absent according to state law.

### EARLY RELEASE/DISMISSAL DAYS

On early release days staff professional development (09/22/21; 12/23/21; 2/9/22; 3/9/22; 6/1/22), parent-teacher conferences (10/21, 10/22, 3/24, and 3/25), and the last day of school (6/16), all Kindergarten through Grade 6 students will be released at 12:20 p.m. Lunch is served on all Early Release Days to all students except the last day of school. All Project GROW students will be dismissed at 11:30 a.m. on all Early Release Days.

Full Day Professional Development Days: 11/12/21; 1/18/22

### EMERGENCY CLOSING

**Parents and guardians should make a plan and a backup plan with students ahead of time in the event of an emergency closing of school in the middle of the day.** Students may be sent home for such conditions as a snowstorm, boiler failure, or power outage. **The Blackboard Connect telephone communication system will be used to notify parents if school is closed unexpectedly. This system will notify families using a home telephone number, a cell phone number or a work telephone number as provided by the parent.** If school is closed early, an announcement will be made to the students explaining the time buses will take them home. Students, who do not know what their emergency plan is, or where to go, will be allowed to use the telephone to call their parents.

### **INCLEMENT WEATHER PROCEDURE**

The decision to close school, due to inclement weather, will be made by 5:45 a.m. School cancellations will be broadcast on the following radio stations: **WBSM (1420 AM)**, **WFHN (107.1 FM)**, and **WBZ (1030 AM)**. Cancellations will also be broadcast on the following television station: **WBZ-Channel 4**. It is advisable to begin listening to the 6:00 AM news announcements.

**The Blackboard Connect telephone communication system will be used to contact all parents regarding the closing of school. Parents will be contacted using a home telephone number. Cell phone or a work telephone number will also be inputted into the system if the parents provide them.**

### **Student Drop Off and Pick-Up at Dismissal Time**

#### **CENTER SCHOOL**

**ARRIVAL:** Students may be dropped off between 8:15 and 8:30 am at the Hammond Street entrance of the school. Please access this entrance by using the Hammond Street entrance near the tennis court.

**END OF DAY DISMISSAL:** All students being picked up at the end will be dismissed from the Hammond Street entrance.

Signs with the STUDENT'S NAME, GRADE, and the NAME of the TEACHER should be displayed in the window of the passenger side of the car. We will have the students ready to exit the building at 2:45 pm. This will decrease the waiting time for each vehicle. Students will be dismissed on a car-by-car basis. Students will only be allowed to enter the vehicle on the curbside of the car.

#### **OLD HAMMONDTOWN SCHOOL**

**ARRIVAL:** Students may be dropped off at 8:15 am. Dismissal will begin at 2:45 pm

Vehicles should enter the parking lot using Shaw Street to avoid bus drop off.

Use the INNER CIRCLE by the flagpole and PULL ALL THE WAY UP TO THE ORANGE CONE. For safety reasons, students should only exit the vehicle on the curb side.

**END OF DAY DISMISSAL:** Dismissal begins at 2:45 pm. Vehicles should enter the parking lot using Shaw Street to avoid bus pick-up. Signs with the STUDENT'S NAME, GRADE, and the NAME of the TEACHER should be displayed in the window of the passenger side of the car. Use the INNER CIRCLE by the flagpole and PULL ALL THE WAY UP TO THE ORANGE CONE. Students will only be allowed to enter your vehicle on the curbside. (and exit on the curb side during morning drop off)

## **Student Emergency Information or Status: Parent Notification to Center/OHS**

To ensure student safety, changes in family situations, addresses, or cell and telephone numbers **must be** reported to the school office **immediately**. It is important that all our records are up to date.

Please return the Student Information Update Form, included in your opening day packet, to your child's homeroom teacher, or the school office, immediately. This form serves as an annual 'affidavit', attesting to a student's residency in our community.

Families moving from the community should notify the school office at least three days before their departure so transfer materials can be prepared. A *release of information* form must be received from the "new" school before any records will be forwarded.

### **Attendance**

School attendance is compulsory. Attendance law states that:

- ***The Commonwealth of Massachusetts G.L. c. 76 sect. 1 requires that every child, with certain exceptions, between ages established by the state board of education, must attend a public day school or some other approved school, during the time when public schools are in session.***
- ***Under G.L. c. 76, sect. 1, necessary absences by a student may not exceed 7 full-day or 14 half-day sessions in any 6-month period.***
- ***Under G.L. c. 76, sect. 1, a pupil who is not present during at least half a session must be marked and counted as absent on the school register.***

All Massachusetts schools are accountable for student achievement. Every Student Succeeds Act (ESSA) mandates particular indicators of success for all schools with one being "chronic absenteeism." "All students are considered "chronically absent" if they miss 10% of the school year.

Full days of attendance are essential to the learning process. If a child is to be out of school, parents/guardians should call the school before 9:00am on the morning of the absence. Please provide the following information in the message that you leave on the answering machine: **student's name, teacher, and reason for absence**. If a call is not received and a student is absent, the School Nurse will contact parents/guardians at home or work. **After any absence, students should present a parent's note indicating the reason for the absence to the School Nurse.**

Absences are "excused" only for the following reasons:

- Bereavement
- Hospitalization
- School-sponsored trip
- Documented court or legal commitment
- Obligatory religious holidays
- Illness substantiated by a note (Five or more continuous absences for medical reasons must be substantiated by a physician's note).

Some excess absenteeism occurs because families take vacations during school time. This is strongly discouraged. Teachers will not provide assignments prior to vacations taken during school time. After

students return to school they will be made aware of missed assignments, making them up as soon as possible. Missed assignments are factored into students' grades.

### **When Absences Exceed Five or More Days**

On the fifth day of consecutive absence or tardiness, the school nurse or a designee of the principal will call the student's home. On the eighth day of an unexcused absence, the school attendance officer will be notified and a complaint for Failure to Cause School Attendance pursuant to G.L. c. 76, sect. 2 **may** be filed in Wareham District Court.

If the students' absences or tardiness occur on a regular basis and impede their academic progress, the school, as a mandated reporter, must consider filing a Child Requiring Assistance (CRS) report. Depending on circumstances, the school district may choose to file a 51A with the Massachusetts Department of Children and Families.

### **Tardiness**

Tardiness negatively impacts the educational progress of all students. Therefore, the above policy will also be followed for excessive tardiness.

5

### **Dismissal**

*All dismissal policies are developed with students' learning and safety in mind. Policies are developed with input from the Mattapoisett School Committee and town safety officials.*

#### ***Dismissal During the School Day***

No child will be dismissed from school during the day unless an authorized adult has come to the office to sign the child out. This applies to daily, or occasional, pickup arrangements. Students being dismissed before the end of the school day must bring a note to the homeroom teacher that morning. Students will be called from class *when the parent/guardian arrives*.

#### ***Any Change in Dismissal Routine***

A note or alternative transportation form from a child's parent/guardian must be provided before a child is allowed to leave school with any adult other than a parent or if the child is normally transported by bus. There must be a note for each change to a child's routine. Bus changes are allowed for childcare purposes only, not for play or party dates. Parent(s)/Guardian(s) must arrange with the office beforehand for a bus switch. This restriction is in place for each child's safety.

### **Riding Bicycles to School**

Students may ride their bicycles to school provided that they wear a helmet (as required under state law) and obey all traffic regulations. **A blanket permission note is required before students begin riding to and from school.** Bikes should not be ridden on sidewalks just outside school where children and adults are walking. Students not following safety rules may have their riding privileges revoked. A bike rack is available in front of the cafeteria. Students are encouraged to lock their bicycles.

### **School Breakfast & Lunch - Food Service**

Full student breakfast and lunches are available for \$2.00 for each breakfast meal and \$3.00 for each lunch per day. Milk costs \$.65. A la Carte menu choices are available at a variety of prices. *Free and Reduced Lunch Assistance* forms are sent home at the start of the school year, but applications are available at the school office and accepted throughout the year. Review them carefully and refer to these forms that are part of the opening packet to see if they pertain to you.

## **Lunch Protocol**

Brief description:

- Lunch will take place in the building cafeteria
- Students enter the cafeteria, pick up their lunch and proceed to the POS station.
- Lunch monitors clean and sanitize desks after children leave and prior to the next group entering.

## **Lunch Menus**

[Lunch menus](#) will be posted on the [District Food and Nutrition Website](#)

## **Free and Reduced Lunch Application** ([LunchApplication.com](#))

Due to Covid-19, the USDA announced that there will be no charge for meals through June 30, 2022, or possibly longer providing funds are available. (students wanting milk only is not part of the free program and will be charged).

Families that need assistance should complete a [Free and Reduced Lunch Application](#) immediately. Each application can be downloaded and emailed to the Food and Nutrition Director or by clicking the link and applying online. Online applications will be processed much faster.. The application for Free and Reduced Lunch can be found on the District website - [LINK TO: District Food & Nutrition Website](#)

Even though lunches are free until June, we still need to maintain our K12PaymentCenter accounts in good standing with a debit balance. If students want an extra milk or snack, there will be a charge for those items and the student's K12PaymentCenter account will be used.

7

For the safety of all, we will be utilizing the K12PaymentCenter program to provide touchless purchasing. After students pick up their lunch at school, the cashier will input the student's identification number. Students should be prepared to share their student ID number with the cafeteria staff. We need to input student meals into our point of sale system regardless of payment type.

We will not be able to receive cash for payment, however, families will be able to send in personal checks to replenish K12PaymentCenter accounts. Preferably, K12PaymentCenter accounts are replenished online to reduce the contact points.

Here is a link on how to create a K12 Payment account. There are also settings to automatically replenish your account once the balance reaches a minimum amount. Here is a link to [K12PaymentCenter](#)

## **Bringing Lunch from Home**

If you choose to have your child bring lunch from home each day, to keep it cold, we recommend (1) bringing food in an insulated lunch bag with a frozen gel pack or frozen juice box; (2) freezing the sandwiches overnight (will thaw by lunchtime but keep cold until then); (3) packing the foods in a cooler with ice or another cold source.

Please note District Life Threatening Allergy Policy Below.

[Life Threatening Allergy Information](#)

## **School Safety and School Visits**

**All visitors and volunteers are required to have a valid driver's license or Massachusetts issued identification card to be scanned-in upon entering the building *for any reason*; office staff will provide**

**badges to wear once the ID is scanned into our system and each visitor is approved to enter. This includes stops at the Nurse's station. All visitors who do not have a valid driver's license or Massachusetts issued ID card will not be allowed to enter the school during operating hours.**

**8/25/21 : Masks will be required when in the school building.**

Parents, guardians, or guests wishing to visit a particular class are asked to plan with the teacher or the principal at least one day in advance. Massachusetts State Law requires that all regular classroom volunteers, lunchroom visitors and field trip chaperones have a Criminal Record (CORI) check. These forms must be completed in the school office before your first volunteer visit.

Please do not park in the bus loop in front of the school.

### **Clothing**

School is a place where student learning is a priority. A student's attire may influence his/her attitude as well as how much he or she learns. Student dress, therefore, is expected to be in good taste, appropriate for the weather and for academic work. It is not our purpose to dictate specific dress, but rather to ensure that our students are dressed in such a way as to contribute to their success and help generate a positive learning environment throughout our school. Students are not to be attired in clothing, which compromises safety or modesty or is disruptive to the educational process.

School is a place where student learning is a priority. A student's attire may influence his/her attitude as well as how much he or she learns. Student dress, therefore, is expected to be in good taste, appropriate for the weather and for academic work. It is not our purpose to dictate specific dress, but rather to ensure that our students are dressed in such a way as to contribute to their success and help generate a positive learning environment throughout our school. Students are not to be attired in clothing, which compromises safety or modesty or is disruptive to the educational process.

In order to assist parents in planning for their student's school apparel, the following guidelines are presented. Students are prohibited from wearing any clothing, including masks, that contain offensive or obscene symbols, slogans or words that degrade any gender, cultural, religious, or ethnic values, clothing that contains language or symbols oriented toward violence, drugs, or alcohol.

The administration reserves the right to determine appropriateness of clothing consistent with these guidelines. A student whose clothing is determined inappropriate for school will be required to arrange for other, more appropriate clothing to be provided.

**All coats, boots, sweaters, sweatshirts, backpacks, lunchboxes and hats should be clearly marked with students' names.** For those of you who have seen our Lost and Found area, you know that this can be a problem. Take the time to label! This will allow items to be returned easily if lost, or avoid confusion when two items are similar. Several cases of lost clothing were donated to charity during the last school year.

### **Recess**

**All students will have outdoor recess.** Only in very inclement weather is recess held indoors.

**Please be sure that your child is properly dressed.** Decorative footwear and flip-flops can create a safety issue when students play at recess. Therefore, flip-flops or any other type of opened-toe shoes are not allowed to be worn to school. We strongly recommend sneakers for all students.

### **Student Valuables**

It is strongly recommended that students not bring large sums of money, hand-held video games, toys or stuffed animals to school.

### **Inclement Weather: Cancellations and Delays**

Please be attentive to our telephone messaging system for news of school cancellations or delays. During stormy weather the District may call school for an entire day, or for a one to two hour delayed opening. If bad weather develops during the school day, afternoon classes or special programs and after-school activities may be cancelled. It is important that families have plans in place for dealing with these possibilities.

We utilize the “BlackBoard” communication program that is capable of contacting all RMS families within a five to ten-minute window. As soon as the Superintendent has determined a delay, closing, or early dismissal, we will send out a “BlackBoard” call.

Because all district schools utilize the BlackBoard system, storm delays and closings may not be broadcast on local television stations. We ask that you not call the school office or the police station. The dispatcher reports they receive many calls that interfere with their ability to handle true emergencies.

Should the decision be made to close school early or cancel after-school activities, due to inclement weather, an attempt will be made to contact parents/guardians, using all emergency contact numbers within the “BlackBoard” system. In the event of a non-weather emergency, we will contact all parents using the same system. **Telephone Calls**

Responsibility is an important attribute for all students. No school telephone in any office may be used by students. If students have forgotten books, classwork, or musical instruments, classroom teacher discretion will determine whether a call can be made via the classroom telephone. Teachers’ classroom phones are capable of local calling only. In cases of illness or emergency, calls will be made by the school nurse, an administrator, guidance counselor or personnel in the main office. Students will not be called to the phone for any reason. Messages will be taken in cases of illness and emergency.

### **Cell phones**

A student may carry or keep a cell phone in their backpack **if authorized by the school office**. The phone must be shut off and kept in the child’s locker/backpack and may be used only for emergency or unusual circumstances as agreed by parents and administration. The phone may not be used to receive or send messages anytime during school hours **or on school buses**. Student phones used to make, or receive, unauthorized calls during school hours, or on a bus, will be confiscated by the school administration or the bus driver.

### **Homework and Independent Reading**

The School Committee has established homework guidelines that all teachers follow. Your child’s teacher will establish homework routines appropriate to his grade level. The School Committee policy can be acquired through the main office at the school. We ask all family members to become “Reading Partners” with our students. Research shows the more children read, the better readers they become. We encourage all students to read independently each night for 20–30 minutes before bed. In some classrooms, Student Reading Logs are sent home for students and/or parents to initial.

### **Photographs of School Activities for Local Papers**

*Opt-Out Procedure for Parents Who Do NOT Want Their Child’s Picture to Appear*

As part of our public relations efforts, local newspapers are invited to photograph many school

programs and events. Students are often included in these photos. As a parent/guardian, you have the right to request that no picture of your child is used in this way. **You must make this request in writing by completing a FERPA Privacy Form, and returned to the Principal before September 3rd.** If no letter is on file, we assume parental permission is granted for photographs to appear in local newspapers or on our school website <https://www.olderochester.org/Domain/327> or <https://www.olderochester.org/Domain/373>

### **Parent Involvement / Parent Concerns**

1. Being actively involved in your child's school is one way to alleviate concerns about his or her education. The Mattapoisett PTA meets for an hour once a month in the Center School conference room.
2. Parent volunteers are needed to be a part of our School Council. Representation from primary and intermediate grade students' families, as well as special education parents (if available), staff members and the community sit on this advisory team. Meetings are typically one afternoon per month from 3:15-4:15pm.
3. The Mattapoisett School Committee sets its meeting schedule at the start of the school year, but these meetings are typically on the second Monday evening of the month. Meetings are held in the Center School cafeteria or via Zoom. Zoom links are available on the Town's website.

Constructive criticism of our school is welcomed on the assumption that it is motivated by a sincere desire to improve the quality of the educational program and to equip the school to perform its tasks more effectively. Complaints are resolved most expeditiously if they are first taken to the staff member or administrator immediately in charge of the area in which a problem arises, then through successive administrative levels to the Principal, Superintendent, and subsequently to the School Committee, if necessary. Anonymous letters serve no positive purpose when trying to resolve problems and will not be given the same weight as an identified correspondence. The School Committee has adopted a policy to be followed when a parent/guardian has a concern that has not been satisfactorily addressed. A copy of that policy is available at the school office.

Our principal, Rosemary Bowman, and associate principal, are available to all parents each month before PTA or/and School Committee meetings and at other times during the school day by appointment. Please call the school office or contact the principals directly via email: [rosemarybowman@olderochester.org](mailto:rosemarybowman@olderochester.org) or [kevintavares@olderochester.org](mailto:kevintavares@olderochester.org)

All teachers are accessible via the school's e-mail carrier.. To access a list of those emails visit: <https://www.olderochester.org/Domain/327> or <https://www.olderochester.org/Domain/373>

### **FIRST AID / EMERGENCIES**

If a sudden illness or an accident occurs at school, the school nurse will administer first aid and immediately notify parents. Parents/guardians are responsible for transporting the student home in the event of illness or injury. If a serious illness or accident (life-threatening accident) occurs at school, the Mattapoisett Police / EMS will be called for transport to the hospital.

### **Health Information**

#### **COVID-19 Health Guidance**

We take great pride in caring for the students of the ORR School District and we want you to be as informed as possible before the school year begins. The parents and guardians of our district will play a major role in keeping our community safe and healthy. We are going to need your help with many things this year but foremost, we are going to ask you to check your child's temperature every morning as well as check them for certain symptoms each morning. If your child has any of the symptoms listed

below we are asking for you to please keep them home from school and to notify the school of your child's absence.

- Fever - 100 degrees Fahrenheit or higher, chills, or shaking chills
- Cough (not due to other known cause)
- Difficulty breathing or shortness of breath
- New loss of taste or smell
- Sore throat
- Headache
- Muscle aches or body aches
- Nausea, vomiting, or diarrhea
- Fatigue
- Nasal congestion or runny nose (not due to other known cause)

Preparation is essential and we have listed below a few ways for you and your child to prepare for the upcoming school year. Please be aware that face coverings will be required for grades K-12 and strongly encouraged for our younger students.

- Practice thorough hand washing for at least 20 seconds and practice applying hand sanitizer correctly by rubbing a small amount into hands for 20 seconds until the hand sanitizer is dry.
- Practice putting on/taking off a mask/face covering, taking care not to touch their face. • Practice wearing a face covering/mask for an extended period of time as masks will be required. • Purchase or make extra masks/face coverings as we are asking students to bring their own and have one as a backup.
- Practice physical distancing from others, maintaining 6 feet apart.
- Make sure your child is up to date on their physical and immunizations. Talk to your health care provider and school nurse about health concerns you have for your child.
- Submit emergency health information forms with correct contact information as soon as the school year begins. If your child exhibits any of the symptoms listed above during the school day they will need to be picked up from school promptly.

The Mattapoisett School District is committed to providing a safe environment during the ongoing COVID-19 pandemic. Maintaining a safe environment is critical to the District's ability to provide students with in-person classroom learning. Due to the fluctuating nature of the pandemic and resulting guidance and recommendations from public health experts, such as the Center for Disease Control (CDC), the Department of Elementary and Secondary Education (DESE), the Massachusetts Department of Public Health (DPH), and the local Board of Health, Mattapoisett Schools may, from time to time, establish health and safety requirements, including but not limited to, mandatory face coverings, to ensure the health and ongoing operations of the school community. Mattapoisett Schools will provide notice of any health requirements to students/parents/guardians. The Mattapoisett Elementary Schools reserve the right to establish such health requirements, in a manner consistent with state and federal law, and which will remain in place until rescinded by the School Committee and/or Superintendent.

### **Health Records**

Student health records are kept in a locked file in the nurse's office. It is the parents' responsibility to keep the nurse informed of new medical information. Students are required to have physical examinations in grades 3 and 6.

Vision/hearing screenings and height/weight measurements are done yearly. Parents are notified only if the results are not within normal limits. Postural screening is done only for students in grade 5. Screening for head lice is done as needed.

### **Dispensing Medications**

Children are not permitted to carry medications on the bus or in the school building. A signed order from a physician, dentist, nurse practitioner, or physician's assistant is required to administer any prescription medications in school, as required by Massachusetts General Law. Parental permission is also required. A Medication Protocol form that covers non-prescription medications is included in this packet. Special arrangements for medication administration during field trips must be made with the school nurse. Medications will be given by a parent or by a school representative who has permission from the parent. Children will be allowed to self-administer inhalers on field trips only, with permission of the school nurse and when parental permission is on file at the nurse's office.

### **Growth & Development**

Students will learn the basic characteristics of physical growth and development, including body functions and systems throughout the life cycle, and will acquire skills to promote and maintain positive growth and development (At the fifth-grade level, students will have an introduction to the human reproductive system. A parent letter will be sent out prior to the presentation).

#### **• Nutrition**

Students will gain the knowledge and skills to select a diet that supports health and reduces the risk of illness and future chronic diseases.

#### **• Social & Emotional Health**

Students will acquire knowledge about emotions and physical health, the management of emotions, personality and character development, and social awareness; and will learn skills to promote self-acceptance, make decisions, and cope with stress, including suicide prevention.

- **Family Life**

Students will gain knowledge about the significance of the family on individuals and society, and will learn skills to support the family, balance work and family life, be an effective parent, and nurture the development of children.

- **Interpersonal Relationships**

Students will learn that relationships with others are an integral part of the human life experience and the factors that contribute to healthy interpersonal relationships, and will acquire skills to enhance and make many of these relationships more fulfilling through commitment and communication. • **Disease Prevention & Controls**

Students will learn the signs, symptoms, and treatment of chronic and communicable diseases, and will gain skills related to health promotion, disease prevention, and health maintenance. •

***If parents/guardians wish their children to be exempt from any portion of the Health Curriculum, a written request should be addressed to the school principal.***

## **The Massachusetts Comprehensive Assessment System (MCAS) Testing**

Once during the school year, students in grade 5 participate in the Science Massachusetts Comprehensive Assessment System (MCAS) Test. Also, once a year all students in grades 3-6 will participate in the English Language Arts & Mathematics Massachusetts Comprehensive Assessment System (MCAS) tests. Testing during the 2021-2022 school year will take place at the following times:

<b>Grades 3–8 ELA and Mathematics, and grades 5 and 8 STE (computer-based tests)</b>	
ELA test sessions	<b>TBA</b>
Mathematics test sessions	<b>TBA</b>
STE test sessions	<b>TBA</b>

**It is highly recommended that all students be present during MCAS testing.**

## **Student Records**

The privacy of student records is guaranteed. Only parents/guardians and appropriate school personnel are allowed access to the information in a student's record. Specific written consent provided by the parent or legal guardian is necessary for any other examination. A student transcript, which includes name, address, and grades, is kept for at least sixty years. However, the student's temporary record, containing standardized test scores, evaluations by teachers, Special Education records, and the like, is given to the student upon graduation or destroyed within five years after the student leaves

the school system.

In accordance with the student record regulations of the Massachusetts Department of Education, parents have the right to inspect a student's record. Records are made available within two (2) working days of a request being made. Copies of any part of the record may be requested and a reasonable fee may be charged for the cost of duplicating these materials. It has been our practice to make any student records easily accessible to parents and you will find the office staff most cooperative in this matter.

The Commonwealth of Massachusetts has adopted procedures for non-custodial parents who wish to receive separate copies of student records or school notices. Information is available in the school office.

### **Report Cards and Parent Conferences**

It shall be the duty of each teacher at the end of each term or at the end of any period of time designated by the Superintendent, to estimate and to record the progress of students. The report card is an effective means of communicating an individual student's progress in relation to the curriculum and his/her own mastery of skills and social development. In the elementary grades, the written record is a standards-based report that indicates a student's progress.

## **Full day Professional Development Days - No School for Students**

Friday, November 12, 2021

Tuesday, January 18, 2021

Regular communication between school and home is important if we are to be successful. Conferences between parents and teachers are scheduled twice during the school year, but if questions about your child's progress should arise in any curricular area, do not hesitate to initiate a conversation with teachers at any time.

The October 21st and October 22nd Early Release Days will be set-aside for parents to schedule conferences with teachers. Please contact your child's teacher to schedule a conference. Early Release Days have also been scheduled on March 24th and March 25th for Parent Conferences. An appointment for a Parent Conference can be set up at any time during the year by calling the school office or sending an email to the classroom teacher requesting a conference.

## **STUDENT PLACEMENT AND REQUESTING TEACHERS**

Parent requests for specific classroom teachers will not be accepted. It is neither possible to grant the request of the parents of all the students at Center School or Old Hammondtown School, nor is it fair or appropriate to grant the requests of only a select group of parents.

The placement of students is done in a thoughtful and careful manner, and is not done haphazardly or randomly. Information on each student is gathered through the use of a placement card completed by each child's teacher. These are reviewed by the school principal. Two meetings are then held involving the teachers at that specific grade level, the special education teachers, consulting teachers of reading, school adjustment counselor, and the principal, to discuss placement for the following year. All students are placed in heterogeneous classes which reflects a range of student ability levels. In order to achieve a truly heterogeneous class composition, students of high, average and low ability levels are placed in each room. No class should have all the high, or low, ability students. Research has shown this to be an inappropriate way to group students. Strengths and weaknesses of student are evaluated, and placement is made in the best educational interest of the child. A student who does not interact well with another particular student is not placed in the same class, if at all possible.

All students in Kindergarten through Grade Six, and their parents, will be informed of their assigned teacher for the next school year by mail on or about the 15<sup>th</sup> of August prior to each school year's opening.

## **Promotion/Retention of Students**

It is expected that students progress annually from grade to grade. Exceptions are made only when it is in the best educational interest of the student.

## **Student Enrichment**

Our schools offer various ways for students to enrich their academic learning. Here are some examples:

- Chorus: Groups meet weekly during school, and perform each year at the district *FORM* concert.
- 4<sup>th</sup> Grade Band: Students select an instrument for in-school instrumental instruction. In

January, students come together as a beginner band.

- 5<sup>th</sup> and 6<sup>th</sup> Grade Band: Weekly instrumental instruction continues and the students meet as a band once a week.
- Jazz Band: Auditions are held in the fall and the band meets before school once a week.
- After School Activities: The Mattapoisett Recreation Department offers afterschool enrichment/athletic sessions each year. Brochures are sent home with students.
- Art, General Music, Instrumental Music, Technology education, physical education, and Library/Media are also part of our weekly classes.

### **FIELD TRIPS**

During the year, field trips may be scheduled at each grade level. A student's behavior while on these trips will reflect upon our schools. Misconduct will not be tolerated. A permission slip must be signed by one of the student's parents or guardians before a student can participate in the field trip. The form must be returned to the teacher in charge prior to the trip. All school rules apply to field trips. Any child may be denied the privilege of going on a field trip based on inappropriate behavior.

## **General Statement and School Rules**

Mattapoisett elementary schools emphasize a positive, community-based sense of responsibility and respect throughout the school day. Students learn what is expected of them through the consistent modeling of the adults around them. Students, teachers, administrators and parents all work together to maintain a safe, orderly school environment where everyone can learn and grow.

### **Party Invitations**

In keeping with our Responsive Classroom beliefs, and not wanting any child to feel hurt or excluded, we remind parents of the insensitive practice of students bringing party invitations to school. It puts students who are not invited (and many times the student doing the inviting) into unnecessarily uncomfortable situations. Please take the time to mail party invitations, or see that they are delivered outside of the school community and school day. The Mattapoisett Blue Book is a great reference for parents to find addresses. We ask that you not call the office for this information.

### **School Staff Role in Establishing High Behavioral Expectations**

Teachers and support staff model and reinforce positive behavior and compliance with school-wide rules and values. In addition, teachers implement classroom rules and policies. Generally, these rules are developed with student involvement appropriate to age and social development.

These classroom policies are submitted to the Principal for review. After administrative review, teachers will send home written classroom rules and consequences for family discussion. Students, parents/guardians, and teachers will sign the Student Conduct Agreement that will be kept on file in the classroom.

Teachers follow all disciplinary steps outlined in their program on a consistent basis. This may include notes or phone calls home, after school time, individual contracts as deemed appropriate, or other strategies. Teachers and parents who have ongoing concerns about a student's behavior have several sources of support - the School Adjustment counselor, Administration, and the Response to

Intervention Team.

### **Responsive Classroom**

The Mattapoisett elementary schools utilize the Responsive Classroom approach in supporting our students in the learning process. All Center and OHS teachers have participated in Responsive Classroom training.

Responsive Classroom is a way of teaching that creates a safe, challenging, and joyful classroom and schoolwide climate for all students. Teachers who use the Responsive Classroom approach understand that all of students' needs—academic, social, emotional, and physical—are important. Elementary and middle school teachers create an environment that responds to all of those needs so that your child can do his or her best learning. The Responsive Classroom approach develops teachers' competencies in four key areas:

1. Engaging Academics—Teachers create learning tasks that are active, interactive, appropriately challenging, purposeful, and connected to students' interests.
2. Positive Community—Teachers nurture a sense of belonging, significance, and emotional safety so that students feel comfortable taking risks and working with a variety of peers.
3. Effective Management—Teachers create a calm, orderly environment that promotes autonomy and allows students to focus on learning.
4. Developmentally Responsive Teaching—Teachers use knowledge of child development, along with observations of students, to create a developmentally appropriate learning environment.

### **Bullying**

In the spring of 2010 the legislature and governor enacted an anti-bullying law that impacts all schools in Massachusetts. Bullying is defined as a type of violence that occurs when someone uses his or her power unfairly and repeatedly to hurt someone else. The law recognizes bullying as any repeated word, look, sign, or act that hurts a person's body, feelings, or things. All staff members will receive training during the year that will better equip them to deal with students' needs in this area. We recognize each student for their unique qualities, attributes, and characteristics. We embrace the differences among all students and will continue to foster an environment of acceptance with an appreciation for those differences.

### **DISCRIMINATION**

The Old Rochester School District, including Center and Old Hammondtown Schools adheres to the following Anti-Racism Resolution:

- WHEREAS, as schools have the responsibility to equip students with their civil right of obtaining a free and appropriate public education, it is the responsibility of each school to ensure we create a welcoming community for ALL students;
- WHEREAS, it is the responsibility that every district provide to all district staff, including School Committee members annual professional development on diversity, anti-racism, equity and inclusion; WHEREAS, every district will commit to recruiting and retaining a diverse and culturally responsive teaching workforce;
- WHEREAS, every district will examine their policies for institutional and systemic racialized practices and implement change with sustainable policies that are evidence based;
- WHEREAS, every district will incorporate into their curriculum the history of racial oppression and works by diverse authors and works from diverse perspectives;
- WHEREAS, we as school district leaders can no longer remain silent to the issues of racism and hate that continue to impact our public and private institutions;

- **RESOLVED:** that the Old Rochester School District and all the school districts in the Commonwealth must guarantee that racist practices are eradicated, and diversity, equity and inclusion is embedded and 17 practiced for our students, families, faculty and staff. We must ensure our own school culture and that of every district in the Commonwealth is actively anti-racist.

Treating people differently, or interfering with or preventing a person from enjoying the advantages, privileges or courses of study in a public school because of an individual's actual or perceived race, color, national origin, ethnicity, religion, sex, sexual orientation, age, or disability (i.e., protected status). A person may not be subjected to discipline or more severe punishment for wrongdoing, nor denied the same rights as other students, because of his/her membership in a protected class.

The Mattapoisett School District does not discriminate on the basis of race, color, national origin, age, sex, religion, gender identity, sexual orientation, homelessness or disability in admission to, access to, treatment in or employment in its programs and activities.

### **HARASSMENT**

Harassment is oral, written, graphic, electronic or physical conduct on school property or at a school-related event, function or activity relating to an individual's action or perceived race, color, national origin, ethnicity, religion, sex, sexual orientation, age, or disability (i.e., protected status), that is sufficiently severe, pervasive or persistent so as to interfere with or limit a student's ability to participate in or benefit from the district's programs or activities, by creating a hostile, humiliating, intimidating, or offensive educational environment. For purposes of this policy, harassment shall also mean conduct, if it persists, that will likely create such a hostile, humiliating, intimidating or offensive educational environment.

### **RETALIATION**

Any form of intimidation, reprisal, or harassment by a student directed against any student, staff or other individual for reporting or filing a complaint, for aiding or encouraging the filing of a report or complaint, for cooperating in an investigation under the district's Comprehensive Civil Rights Policy, or for taking action consistent with the policy.

### **HATE CRIME**

A hate crime is a crime motivated by hatred, bias, or prejudice, or where the victim is targeted or selected for the crime at least in part because of their actual or perceived race, color, ethnicity, national origin, religion, sexual orientation, age disability or sex. A hate crime may involve a physical attack, threat of bodily harm, physical intimidation, or damage to another's property.

### **Bullying Prevention & Intervention Policies**

- Everyone has the right to feel safe in and out of school. Any form of bullying or cyberbullying is forbidden in any location. *Bullying* refers to repeated, intentional acts of physical or mental cruelty or intimidation between two people who are unequal in real or perceived social power. Targets of school bullies may be perceived as "different" in either subtle or noticeable ways. Bullying is *not* simply "conflict". The most common type of bullying is verbal or psychological but technological advances in our society mean that the next most common type of bullying is, or soon will be, written in the form of cyber bullying.
- Every reported act of bullying will be investigated, action will be taken where necessary, and parents will be notified. The school can investigate any bullying or cyberbullying that occurs on or off school grounds if it is having an apparent impact on the student's education.

- School disciplinary actions will be taken if the bullying creates a hostile environment at school for the victim, infringes on the rights of the victim at school, disrupts the education of the victim or disrupts the orderly operation of the school.
- Disciplinary actions range from a warning to after school detention, an in or out of school suspension, and may include notifying police.
- Targets must seek help from an adult. Reports of bullying can be made to parents, guardians, principals, teachers, counselors, or any trusted adult. The adult will immediately inform the principal and an investigation will begin. It is important to note that a member of the school staff may be named as the “aggressor” or “perpetrator” in a bullying report. For example, the following staff members (but not limited to) could be named: educator, administrator, school nurse, cafeteria worker, custodian, bus driver, athletic coach, and advisor to an extracurricular activity or paraprofessional.
- Retaliation is prohibited against a person who witnesses and reports bullying, provides information during an investigation, or has reliable information about bullying.

## **Old Rochester Regional District-Wide Behavioral Guidelines**

### **Expectations**

Expectations for behavior are necessary in order to guarantee that those who do not respect these rights do not interrupt the educational rights and privileges of well-behaved students. Rules are needed to ensure students' cooperation and responsible behavior. Self-control and consideration of others are the key components.

Students must behave appropriately and accept the leadership of teachers, school officials and others who have been assigned such responsibilities. Students must also adhere to school regulations on the way to and from school, on school grounds, on school buses, during extracurricular activities, or any time while under the school's supervision. Students may be disciplined for other behavior, which directly or indirectly impairs the educational process or good order of the school.

### **Due Process/Suspension and Expulsion**

Teachers, administrators, and other authorized staff ordinarily will discipline students for inappropriate behavior. Consequences may include verbal warning, "time out", and notification to parents, referral to the principal, and/or detention. More serious cases, such as disrespectful language, stealing, destruction of property, fighting, drug possession and/or abuse, and possession of dangerous objects, will be referred to the administration, who may impose discipline, including suspension and/or expulsion, as provided by law.

Before a student is removed from the school for disciplinary reasons, the student will be provided with notice and a hearing, except that a student may be immediately removed from school if the student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process. In such circumstances, the notice and hearing will follow the initial removal from school.

Notice and hearing will consist of the following: the designated disciplinarian will give the student and/or

parent/guardian oral notice of the charges against them, and an opportunity to present their version of the facts. If the designated disciplinarian thereafter decides to suspend or expel the student, the student will be informed of the length of the suspension or expulsion.

The parent will be notified of the hearing and will be permitted to attend.

20

### **Sexual Harassment**

We are committed to providing an educational environment that is free of sexual harassment. Sexual harassment is unacceptable and will not be tolerated in any form at any level of the school system. Any student or employee found to have condoned or engaged in sexual harassment may, depending upon the extent of his/her participation, be subject to disciplinary sanctions, up to and including suspension, in or out of school, or permanent exclusion from school in the case of a student, and up to and including termination of employment, in the case of an employee.

If a student or employee believes that they has been subjected to sexual harassment, whether by a student, a school employee, or any other person who comes on school property with permission, or that they have witnessed the sexual harassment of another, the student or employee should report the incident promptly to the Principal, the Associate Principal, the Superintendent, the Assistant Superintendent, or any other administrator with whom the student or employee feels comfortable. A complaint of sexual harassment by a student, or by a parent on the student's behalf, may also be made to any counselor or teacher. A counselor or teacher who receives such a complaint will notify the appropriate administrator to initiate an investigation.

It is the policy of the school committee to have all complaints of sexual harassment promptly and fully investigated and to take any steps necessary to remedy the situation. Normally, the Principal/Associate Principal will conduct the investigation of a complaint of sexual harassment or a designee selected by the Principal and will include separate private interviews with the complainant, each person accused of harassment and each of the witnesses, if any. The administrator conducting the investigation will ordinarily document the interview, but those interviewed may also be asked to provide a written statement. All students and employees are expected to cooperate fully with any investigation of sexual harassment. Information provided during an investigation of sexual harassment will be accused may be informed of the identity of the complainant or witnesses, but, in those circumstances, the accused will be cautioned against reprisals or recriminations or any attempted intimidation or coercion of the complainant or witnesses. At the conclusion of the investigation, the administrator will prepare a report, which will be shared with both the complainant and the person or persons accused of harassment. If the complainant or the accused is dissatisfied with the results of the investigation, either may discuss the issue directly with the superintendent.

### **Procedure for the Discipline of Students With Disabilities**

If a suspension of more than ten days is proposed, or if a shorter series of suspensions would result in more than ten cumulative days out of class, for any student who has an IEP or 504 Plan, the school must convene a TEAM meeting before the expiration of the ten-day period.

At that meeting, the TEAM must first develop or review a behavioral intervention plan, consistent with the functional behavioral assessment of the student, then review the relationship between the student's disability and the behavior that is the subject of the discipline action. If the TEAM determines that the student's misconduct is a manifestation of the student's special needs, or results from an inappropriate special education program/program placement, or from an IEP that was not fully implemented, the long-term suspension or expulsion may not be imposed.

If the TEAM concludes that the misconduct is not related to the student's special needs, and it does not result from an inappropriate special education program/placement, or an IEP that was not fully implemented, then the long-term suspension or expulsion may be imposed, following the procedures listed in the law. Among other things the TEAM must offer placement in an interim alternative setting that will (1) enable the student to continue to participate in the general curriculum, (2) enable the student to receive services listed in the last agreed upon IEP, and (3) include any services and modifications designed to address the student's behavior. The parents have the right to request an expedited hearing before the Bureau of Special Appeals (BSEA) to challenge the manifestation determination or the alternative program. If the parents request a hearing, the "stay put" provision of the IDEA entitles the student to remain in the last agreed upon educational placement while the procedures are pending before the BSEA. The right does not apply if the student is charged with possession of a dangerous weapon or drugs. In those circumstances, the school personnel may remove the student to an interim alternative setting without parental consent for up to 45 calendar days. Similarly, if the school convinces the BSEA hearing officer that the student's continued presence in the current placement poses a danger to that student or to others, the student may be ordered into an interim alternative setting for up to 45 calendar days without parental consent.

### ***Procedural Requirements Applied to Students not yet determined to be Eligible for Special Education:***

1. If, prior to the disciplinary action, a district had knowledge that the student may be a student with a disability, then the district makes all protections available to the student until and unless the student is subsequently determined not to be eligible. The district may be considered to have prior knowledge if:
  - a. The parent had expressed concern in writing; or
  - b. The parent had requested an evaluation; or
  - c. District staff had expressed directly to the special education director or other supervisory personnel specific concerns about a pattern of behavior demonstrated by the student. d. The district may not be considered to have had prior knowledge if the parent has not consented to evaluation of the student or has refused special education services, or if an evaluation of the student has resulted in a determination of ineligibility.
2. If the district had no reason to consider the student disabled, and the parent requests an evaluation subsequent to the disciplinary action, the district must have procedures consistent with federal requirements to conduct an expedited evaluation to determine eligibility.
3. If the student is found eligible, then he/she receives all procedural protections subsequent to the finding of eligibility.

### **Conflict of Interest Law and Gifts for Teachers**

The Commonwealth's conflict of interest law, G.L. c. 268A, and the financial disclosure law, G.L.c.268B,

restrict gifts and gratuities that school staff may receive. All teachers and school volunteers must be made aware of the content of these laws, specifically sections 3 and 23 of 268A, and section 6 of 268B. Section 3(b) prohibits a public employee from requesting or receiving anything of 'substantial value'\* which is given for or because of an official act or act within the public employee's official responsibility. Similarly, under section 3(a), no one may give or offer such gifts to public employees.

In addition, G.L.c. 268B, section 6, specifically prohibits public employees or members of their immediate families from soliciting or accepting gifts with an aggregate value of \$100.00 or more in a calendar year. Next, under G.L.c. 268A, section 23(b)(2), public (school) employees are prohibited from using or attempting to use their position to obtain for themselves or others unwarranted privileges of substantial value that are not properly available to similarly situated individuals. Finally, even if a gift or gratuity is not of substantial value or does not fall within the prohibitions discussed above, G.L.c. 268A, section 23(b)(3) will, in many situations, require public (school) employees to disclose to their appointing authority, the gift and their relationship with the giver.

All school volunteers are required to be aware of the state's general laws and language surrounding gifts.

***\*Anything worth \$50.00 or more is considered to be "of substantial value" for the purposes of the conflict of interest law.***
