A Message from your Principal

Welcome to Concord Middle School! Whether new to our community, or returning for a second or third year, I hope you find this to be a place where you feel supported and are encouraged to reach your potential. Middle school is a time to develop new friends, try out new ideas and activities, and solidify your study skills so you will be successful in high school, college and beyond. Toward that end, we strive to help you achieve and develop habits of mind necessary for leadership and lifelong learning through academic and social opportunities in the community. Importantly, we place a high value on your development as a whole student and foster an environment that supports your growth as a citizen of the global community.

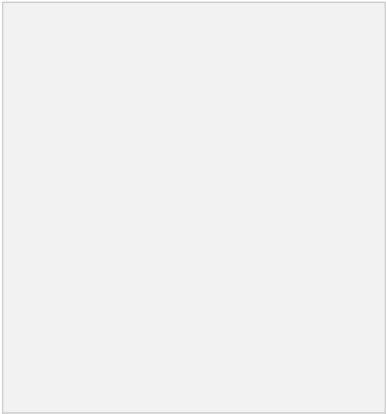

This handbook provides basic information that you may need throughout the year, as well as standards and expectations to which all CMS students will be held. Our website (<https://cms.concordps.org/>) is an additional resource for students, parents, and guardians, providing details on curriculum, after school activities and other relevant information.

I hope that you have a terrific year. I am looking forward to working with you!

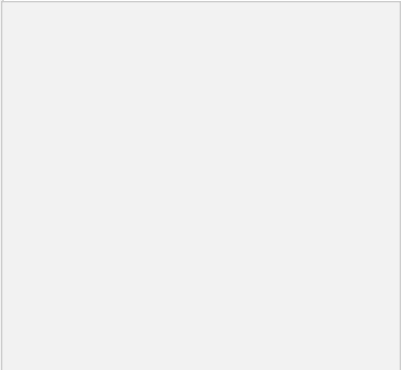

Justin Cameron
CMS Principal

Our Heritage

We are proud to attend school in a community that holds a place in history. The two buildings of CMS are named for prominent educators.

Peabody Building (6th grade) - Opened in January of 1970, the Peabody Building is named for Elizabeth Palmer Peabody, educator and author. Born in Billerica, Massachusetts in 1804, she lived a life filled with accomplishments in education and literature. She founded two private schools in Boston and Lancaster and began the first American kindergarten in Hamburg, Germany. In addition, she published numerous textbooks of grammar and history. A contemporary and close friend of Emerson, Hawthorne, Horace Mann, and the Alcotts, she spent a great deal of time in Concord where she frequently visited and taught at Alcott's Concord School of Philosophy. Miss Peabody died in Jamaica Plain at the age of ninety, and is buried in Concord near Emerson and Hawthorne.

Sanborn Building (7th and 8th Grade) - Opened in 1965, the Sanborn Building honors a distinguished former citizen of Concord, Franklin Benjamin Sanborn. Mr. Sanborn was a prolific journalist and author who wrote countless magazine articles and more than ten books. As an educator, he helped found the Clark School for the Deaf, now known as Clark School for Hearing and Speech, in Northampton, Massachusetts and the Concord School of Philosophy. Mr. Sanborn was also a strong supporter of the abolitionist movement to end slavery and helped to improve conditions for the blind, the mentally ill, the poor, and those in prisons. Mr. Sanborn was born in Hampton Falls, New Hampshire in 1831 and died at the age of eighty- five in Plainfield, New Jersey

Our Philosophy on Education

Concord Middle School staff members are committed to cultivating a climate that nurtures our core values and helps students develop habits of mind that are necessary for success.

Core Values

Community: encouraging compassion and loyalty towards the global community

High Achievement: developing confidence and willpower to learn from mistakes, appreciate success, and build potential

Lifelong Learning: inspiring passion to discover and pursue new and fascinating interests

Habits of Mind

At Concord Middle School we place a high value on three types of thinking that we categorize as Habits of Mind: Critical, Creative, and Self-Regulated thinking. An emphasis on habits of mind in our curriculum and community activities promotes learning and use of higher-level thinking. These are skills that require explicit instruction, practice, and reflection. Lifelong learners use them on a daily basis to further develop the ability to apply complex thinking processes such as applying, analyzing, evaluating, and creating. Our goal is to help students expand the limits of their knowledge and abilities inherent in the CMS core values.

Our Philosophy on Homework

Homework is an important part of student activities at Concord Middle School. The carefully designed assignments prepare students for classroom work and discussion, reinforce learning, aid in development of skills needed for increased academic demands of upper grades, and in the long term, ensure mastery of curriculum and state educational frameworks.

Students should expect homework in at least four of their five core subjects each night: Math, English, Science, Social Studies and World Language. Occasionally there are also assignments in other subject areas. CMS requires that in addition to their homework, students read an “outside reading book” regularly. Their academic teachers will help them select their outside reading book.

Time is not provided for homework completion during the regular school day. It is very important that students do not have an overwhelming activity schedule, and that the time spent on studies at home be used wisely. Select a regular time and a suitable place to do homework.

Homework is intended to take no more than 30 minutes per subject. If this is consistently not the case, use the tips below, or contact the teacher. Students will not participate in more than 2 major assessments in the same day.

Homework Tips for Students

- Use your Google Calendar account to subscribe to teacher homework pages. (The homework calendar link is under the student menu at <http://cms.concordps.org>.) The taskbar can be used to create a checklist for completion. Please be aware that on occasion, homework assignments may change throughout the day.
- Prioritize and plan appropriate time frames for individual and long-term tasks.
- Don't leave the hardest subject for last.
- Bring home and use your class notes, textbook, and other resources from class, or bookmark important online resources.
- Contact a friend. Check the teacher's website. Email the teacher.
- Do your homework thoroughly. Getting it done quickly is not the same as doing it well.
- Don't wait until the last minute! Plan for assignments due in the future.

Remember that homework is important.

Homework is not optional. –

Putting it off does not make it go away!

Forgotten Homework

Students who forget homework may call home from the office, then return to the office to pick it up. Individual teachers set their own policies on accepting late work, or work via email.

Homework and religious observances

Any student who is unable to complete a homework assignment due to religious observances shall inform the teacher directly or through a parent email. The CMS teacher will arrange with the student an alternative time for completion of the work, without loss of credit.

Make-up Work

Students returning from an absence are responsible for making arrangements for make-up work with their teachers. Students can access their assignments on Google Classroom or Google Calendar. In accordance with school committee policy, teachers are not expected to furnish assignments in advance if students are planning to take vacation time on regularly scheduled school days. Students must take full responsibility for making up such work upon their return.

Advocate for Your Own Success - Know Your Options

Approach your teachers! They want you to do well and will help! Think about...

- *when your teachers are available*
- *how you get permission to meet with teachers*
- *what communication methods are available to you*

Make sure you always use your Google homework calendar; make it your homepage! If you're not sure what to do, ASK... a friend ... a teacher ... another adult. You are likely not alone.

Remember - Every challenge has a solution!

Organization of Concord Middle School

One School, Two Buildings

The Concord Middle School is made up of the Peabody and Sanborn buildings, and administered by one Principal and two Assistant Principals. All 6th grade students are housed in the Peabody Building, and all 7th and 8th grade students are housed in the Sanborn building.

Teams

Students in each grade level attend classes with their team. Each team is assigned a group of core teachers, a special education case manager and a guidance counselor. Team teachers work together, support students, and communicate with families. With few exceptions, students participate in the same courses and activities as other students on their grade level without regard to their team assignment.

Departments

CMS teachers coordinate curriculum, instruction, and assessment by subject area departments. Members meet weekly by grade-level and twice monthly as a whole to reflect on instruction and revise curriculum as needed to maximize student achievement. The Teaching and Learning Team, comprised of academic department chairs and liaisons from special areas oversees instructional programs.

Student Groupings

Students are grouped to ensure that the population of teams and classes represents the full range of student abilities, interests, and needs of the entire school. The exception is in mathematics, where students are placed into levels. Student level assignments are recommended by math teachers based on student performance, and are flexible in that they may change during the school year if student progress indicates a need.

School Advisory Council

CMS maintains a School Advisory Council in accordance with the Massachusetts Department of Education School Council regulations: <http://www.doe.mass.edu/lawsregs/advisory/schoolcouncils>. The Council, which includes the principal, parents, staff, and a community member, serves as an advisory board to the principal regarding the school handbook, school improvement plan, and various initiatives that may arise. Elections for parent representatives are held annually with PTG oversight.

Student Schedule of Courses

Middle school students are expected to attend a full schedule of required courses and activity periods. We believe that the course schedules presented below provide a challenging, yet balanced, learning program for our middle school students.

Course - # Periods per 6-day cycle	6th	7th	8th
Applied Technology	-	-	2
Art	2	2	2
Developmental Language Arts/English or RtI	4*	4*	4*
Digital Literacy	2	-	-
English (ELA)	6	6	6
Family & consumer Sciences (FACS)	-	2	-
Math Strategies	2*	2*	2*
World Language	4	5	5
Health	1	-	2
Math	6	6	6
Music (General)	2	2	2
Enrichment Options	0	1	1
Physical Education	2	2	2
Science	6	6	6
Social Studies	6	6	6

*Students are assigned to Developmental Language Arts/English RTI and/or Math Strategies by recommendation of teachers based on performance data.

Please note: Students will not be exempt from enrollment in CMS courses due to participation in activities that occur outside of the school day

The CMS School Day Arrival, Dismissal, and Visitors

	Peabody	Sanborn
BUILDING OPENS <i>Students will not be permitted in buildings until this time.</i>	7:55 a.m.	8:05 a.m.
START OF SCHOOL <i>Attendance is taken at this time. Students arriving after this time should report to the main office to sign in and will be marked tardy.</i>	8:15 a.m.	8:25 a.m.
SCHOOL DAY <i>Students start their day in homeBASE every day except Tuesday. Students then attend academic and special area classes within grade-level teams. Every student must report to regularly assigned classes on time.</i>	8:15 a.m. - 2:30 p.m.	8:25 a.m. - 2:40 p.m.
DISMISSAL M, W, Th, F <i>All students must leave the building at dismissal time if not participating in a supervised after-school program or under the direct supervision of a staff member. If students are staying after school, they must report to their activities no later than 2:40 p.m.</i>	2:30 p.m.	2:40 p.m.
DISMISSAL Tuesdays <i>There are no after-school activities on Tuesdays. All students must leave the building at dismissal time.</i>	1:15 p.m.	1:25 p.m.

Dismissal Due to Illness

Students may only be dismissed for illness after being evaluated by the school nurse. The nurse will contact parents if dismissal is warranted. Students must be signed out by a parent/guardian in order to be dismissed. Students may not call parents directly to request dismissal. (See Health and Safety for information on guidelines for evaluating for attendance.)

Dismissal for Appointments

If dismissal is necessary for an appointment, parents or guardians must notify the main office. Students will be called to the office and must be signed out by the parent or guardian.

Visitors

Due to safety concerns, and to ensure consistent promotion of an academic environment, student visitors are only welcomed to the school if they are prospective students at Concord Middle School. Every visitor must obtain administrative approval prior to attending school.
